# Vermont

2123A2PB4

Cold storage jacket

Our Vermont (2123) and Zermatt (6105) combo will keep you warm and comfortable down to minus 40°C. The ISOSOFT® lining offers a lot of warmth but is nevertheless very light. The high Zermatt bib & brace assures a double insulation of the vital organs. This duo is very durable and hard wearing and is reinforced at critical wear points such as the shoulders, elbows and knees.
